MON ÎLE

MONÎLE

design: R&D Ora Acciaio

Mon Ile è il risultato di un'idea e di una concezione all'avanguardia nel campo del mobile direzionale.

Realizzata con legni pregiati quali il Mogano Honduras: eleganza e linea innovativa rendono la linea legata alle tradizioni.

Grazie ad una gamma di mobili complementari ed accessori in grado di soddisfare le più sofisticate esigenze, sia dal punto di vista estetico che da quello funzionale, la serie Mon Ile permette la creazione di ambienti perfettamente omogenei ed integrati.

Mon Ile collection is the result of a traditional idea and concept of managerial office furniture but still innovative.

It is made of Honduras mahogany, a precious wood which reflects and emphasizes the high executive office.

Thanks to a wide range of complementary and accessorial furniture elements, designed to satisfy the most sophisticated requirements, the Mon Ile collection permits the creation of perfectly blended and integrated environments.

La scrivania, con allunghi e cassetiere integrati, avvolge l'utente in modo accogliente e funzionale.

The desk with integrated returns and pedestals provides the user with functional and comfortable work station.

La serie comprende alcune proposte di angolo relax con divani, poltrone e tavolini per rispondere alle esigenze nell'evoluzione del tempo.

This range offers many options for creating conversation corners: Comfortable sofas, armchairs, small tables and meeting tables that fully satisfy today's working environment.

Nell'elegante sottopiano si celano, nascosti da coperchi girevoli, prese cablate per le apparecchiature elettriche o porta oggetti.
A richiesta, anche una pulsantiera, che tramite combinazione, comanda l'apertura e chiusura della cassettera e dell'allungo.

On the elegant desktop, concealed by flap-lids, three wire sockets are placed on one side. Upon request an electrified digit-code keyboard is available to control the opening and closing of both pedestal and return.

BSC = Predisposizione per passaggio cavi dal modulo di servizio al piano scrivania.

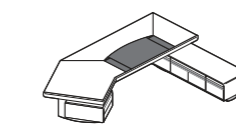

Fitted for cable way-out from the service unit to the desktop.

STD = Attrezzata con 3 prese poste all'interno dello sportello laterale al sottomano + cassetto porta cancelleria.

Equipped with 3 sockets on the lateral side of the leather in-lay + stationary drawer.
